

P: +92 3159935235 E: jabirkhan6017@gmail.com A: District and Tehsil Swabi currently in Islamabad

Objective

Aspiring MERN-Stack Developer aiming to leverage JavaScript, React, Tailwind, Nodejs, Expressjs and QA skills to build impactful web applications.

Education

● Aug 2019 - Aug 2024 BS in Computer Science International Islamic University Islamabad

Experience

● Jun 2025 - Aug 2025 Frontend Web Developer Softosol
Working on real-world projects using HTML, CSS, JavaScript, and React.

● Jul 2025 - Jul 2025 Frontend Web Developer Digital Empowerment Network
Built a personal portfolio page showcasing web development skills and CRUD app using HTML, CSS, JavaScript and React and gained hands on remote working experience.

● Oct 2025 - Present Full Stack Developer SAT Software House
MERN Stack Developer experienced in building Real Estate and Hire-Expert platforms using MongoDB, Express.js, React, and Node.js, implementing role-based authentication, property/job management, booking systems, payments, and admin dashboards.

Projects

● Jul 2025 - Aug 2025 Hospital Management System
A React-based Hospital Management System with role-based login, where admins can manage patients and recommendations, and patients can update profiles and view personalized care.

● Jul 2025 - Aug 2025 Figma to Code Clones
Pixel-perfect frontend clones with HTML, CSS, JavaScript, React.

● Oct 2025 - Present Hire Expert
Developed Hire Expert platform with user profiles, service listings, and bookings management.

● Nov 2025 - Present Real Estate Project
Built Real Estate platform enabling property listings, bookings, and buyer-seller interactions.
